

Welcome to DUI Drug Court. As a person whose major problems stem from alcohol and/or substance abuse, this program is especially designed for you. As you enter this voluntary, intensely supervised treatment program, you need to be motivated to work toward changing your lifestyle and becoming free of alcohol and chemical addiction. This program is accessible regardless of your race, religion, sex, ethnic origin, sexual preference, marital status, or age.

PROGRAM DESCRIPTION

The DUI Drug Court is a court-managed, drug and alcohol intervention treatment program designed to provide a cost-effective alternative to traditional criminal case processing. It may be offered if you are charged with a DUI either drug or alcohol. If you are eligible and choose to participate in this program, you must be willing to commit to the entire program. The program may be successfully completed within 12 months or more if charged with a felony. At any time during your participation, you could be terminated from the program and sentenced by a Court Judge for noncompliance with rules and treatment plans.

COSTS AND FINANCIAL OBLIGATIONS

You will be required to pay a cost of \$100.00 to \$125.00 for participation in the DUI Drug Court.

Any DUI Drug Court participant with court-related financial obligations, i.e., child support, restitution, fines, victim's compensation fund, fees, court costs, will make court approved payments on a regular schedule and provide staff with documentation of the payments.

PROGRAM PLANS

Based upon your needs, an Individualized Program Plan will be developed. The plan will outline goals you must achieve prior to advancing to the next phase. There are three phases of the program.

Completion of each phase is based on your performance. The DUI Drug Court Judge will promote or demote you according to your individual progress with recommendations from the Drug Court team.

SUPERVISION

Supervision of participants consists of face-to-face meetings at least on a weekly basis, as well as the participant's residence. Unannounced site visits to the participant's employment and residence will be conducted by the case manager.

ALCOHOL AND DRUG TREATMENT COMPONENT

Part of your DUI Drug Court participation will consist of required substance abuse treatment. The treatment you receive will be based on your assessment and input from other members of the DUI Drug Court Treatment Team.

The type of treatment you receive will be based on your needs. It may consist of outpatient treatment. If you receive outpatient treatment you will be required to attend Group Counseling, Individual Counseling, and/or Family Counseling.

12-STEP SUPPORT GROUPS

Involvement in 12-step support groups is vital to your recovery. Attendance at these groups is mandatory and will be documented. The fellowships will help you see how others with similar problems are recovering from their addictions. You will observe that changing to a drug-free lifestyle is a positive and exciting experience. Very few alcoholics and addicts maintain recovery without a support system.

SANCTIONS

Each DUI Drug Court participant must abide by the conditions of the DUI Drug Court. Sanctions may be imposed for various infractions of the rules. Sanctions may include but are not limited to incarceration or termination from the program

HOUSING

You will be required to maintain Court-approved stable housing in Bannock County. The Judge may require you to move from your current residence into a suitable housing situation.

Participants will be permitted to move within Bannock County while in the program; however, staff must approve of the change.

EMPLOYMENT

The Judge may require you to obtain and maintain full-time employment and/or education throughout your involvement in the program.

Participants will be permitted to change jobs while in the program; however, staff must be notified prior to the change.

VOCATIONAL/JOB TRAINING COMPONENT

Participants with less than a high school degree or GED and those who are employed or underemployed will be expected to work on developing their skills.

RANDOM DRUG TESTS

Random drug/alcohol tests will play a significant role in your recovery. It is your responsibility to make sure that you understand and comply with the stated guidelines. If you do not feel that you fully understand, it is your responsibility to ask for clarification.

PROGRAM HOURS

The Drug Court sessions will be every Wednesday evening beginning at 5:30 p.m. unless otherwise scheduled. The hours of operation for Drug Court support staff are generally Monday through Friday from 8:00 a.m. to 5:00 p.m. with possible evening and weekend group sessions.
